

## KÆLDERETAGE / THE CELLARS

### Kældrene / Cellars

Vinkælder, vandkælder og møntkælder fra Christian IVs tid. Børnenes Danmarkshistorie i sommerhalvåret.

Wine cellar, water cellar and mint cellar, dating from the time of Christian IV. Special exhibition for children during the summer.

### Adgang for kørestole / Acces for wheelchairs

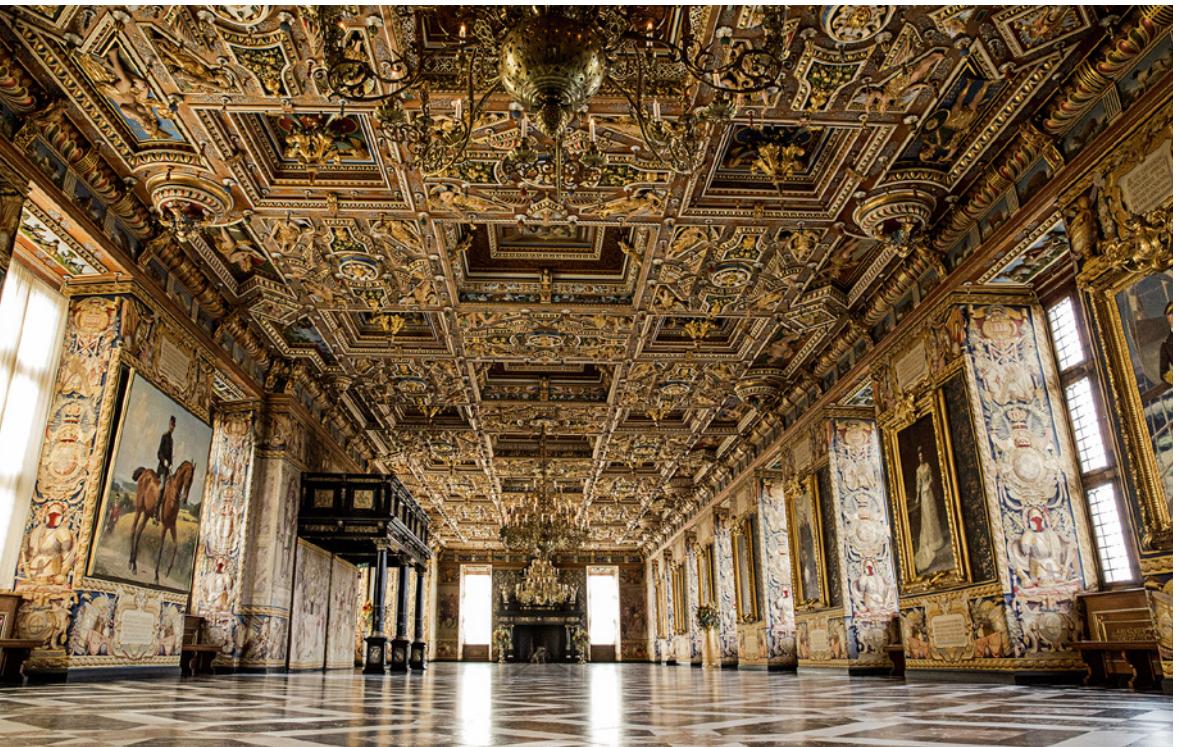

Særlig indgang for kørestole fra slotsgården samt elevator og handicapoiletter. Kørestole har adgang til alle etager, dog er kældrene, Slotskirken og Riddersalen ikke tilgængelige for kørestolsbrugere.

There is a special entrance for wheelchairs from the Court-yard, also an elevator and toilets for handicapped persons. Wheelchairs have acces to all parts of the museum except the cellars, the Chapel and the Great Hall.

## STUEETAGE / GROUND FLOOR

**17a** Garderobe / Cloakroom

**17b** Billetsalg / Tickets

**16** Butik / Shop

Særudstillinger /

Temporary exhibitions

Elevator / Elevator

**Rosen**, eller Ridderstuen, stue 19.

Rummet er genskabt som på Christian IVs tid (1588-1648), hvor det var spisesal for hoffets damer og kavalerer.

I de øvrige rum er der skiftende særudstillinger.

The **Rose**, Room 19, also called The Knight's Room, is a reconstruction of how it looked at the time of Christian IV, when it was used as a dining room for the lords and ladies of the court. Various special exhibitions are held in the other rooms.

**Museets butik** byder på et stort og spændende udvalg af illustrerede guider, gaveartikler, bøger, souvenirs og postkort.

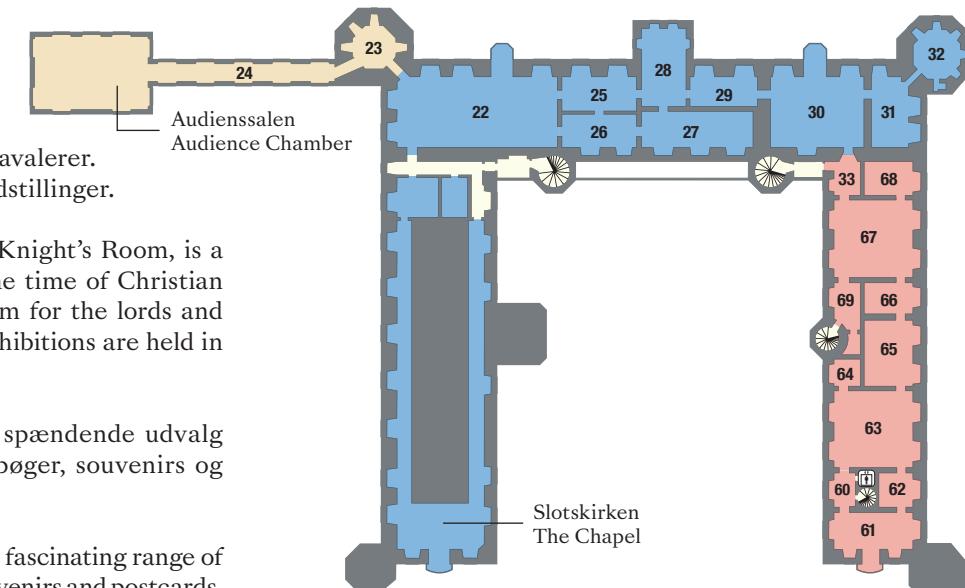

The **Museum Shop** features a wide and fascinating range of illustrated guides, gift items, books, souvenirs and postcards.

## 1. SAL / 1st FLOOR

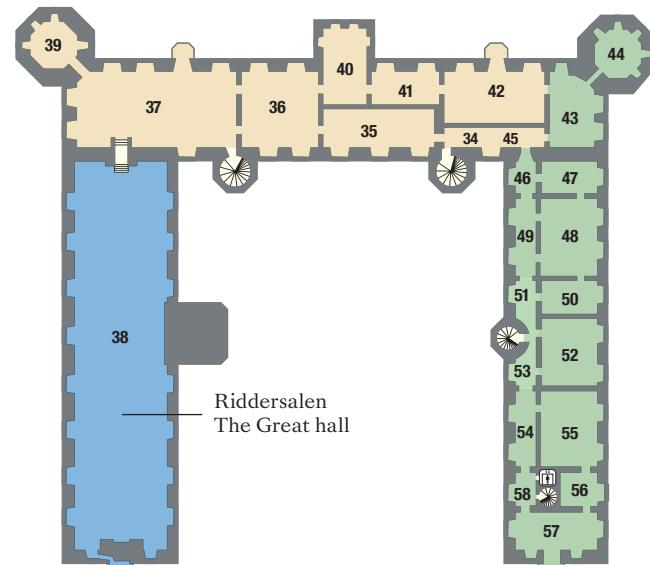

**Slotskirken** fra Christian IVs tid og Audiensalen, indrettet af arkitekten Lambert van Haven for Christian V i 1680erne. Tiden fra de første oldenborgske konger fra Christian I (1448-81) til Christian IV vises i stue 25-32. Perioden fra 1850-1900 med bl.a. de slesvigiske krige ses i stue 61-68.

**The Chapel**, dating from the time of Christian IV, and the Audience Chamber, designed and completed by the architect Lambert van Haven for Christian V in the 1680s. The period of the first Oldenborg kings, from Christian I (1448-81) till Christian IV, is covered in Rooms 25-32. The period from 1850-1900, including the Slesvig Wars, is illustrated in Rooms 61-68.

The **Museum Shop** features a wide and fascinating range of illustrated guides, gift items, books, souvenirs and postcards.

## 2. SAL / 2nd FLOOR

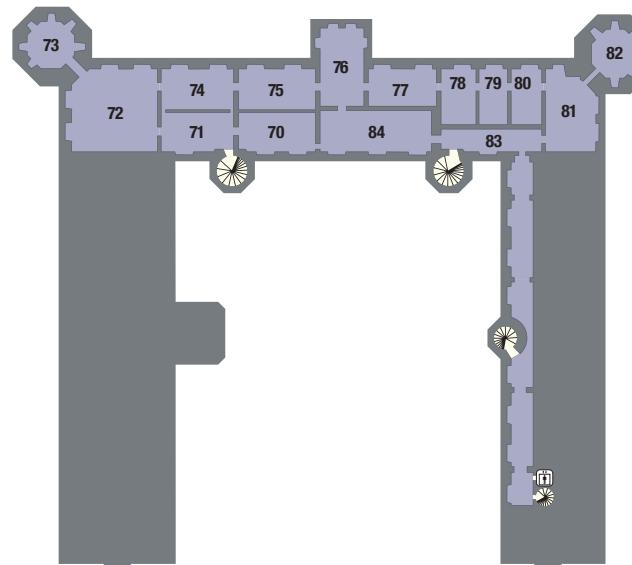

**Riddersalen**, stue 38, genskabt som på Christian IVs tid. Malerier, møbler og genstande, der viser den tidlige enevældes pompøse prægt, ses i stue 37-42. Portrætter og inventar fra 1700-1850 vises i stue 43-57.

**The Great Hall**, Room 38, reconstructed as it would have appeared in the time of Christian IV. Paintings, furniture and objects showing the pompous magnificence of the early period of absolutism can be seen in Rooms 37-42. Portraits and furnishings from 1700-1850 are shown in Rooms 43-57.

## 3. SAL / 3rd FLOOR

**Samlingen for det 20. og 21. århundrede**

På 3. sal fortælles historien om det 20. og 21. århundrede gennem portrætter, historiemalerier og møbler fra perioden. I fotogalleriet vises skiftende særudstillinger.

**The 20th and 21st Centuries**

The 3rd floor features the history of the 20th and 21st centuries, presented in the shape of portraits, history paintings and furniture of the period. The photo gallery displays changing exhibitions.
